MARINI MARCOS

LIC . IN BUSINESS ADMINISTRATION
DEVELOPERFRONTEND REACT

ABOUT ME

I have a degree in Business Administration and I recently received my
as Frontend React Developer. I currently work as an analyst
of credits and collections in Grupo Ferrero, but my true passion is
technology and that's why I'm looking for an opportunity to start
work as a developer in a technology company. I
I am passionate about programming and I love being in constant learning
to keep up with the latest technological trends. I'm sure of
that I can contribute my skills and knowledge to a team of
I work and am excited about the possibilities that the future holds for me.
in this field.
